Representations:

Sri T. D. Kavirajan, Advocate, Alleppey. .. For *the Union*

AWARD

This is an industrial dispute referred for adjudication by the Government of Kerala as per G. O. (Rt.) No. 1200/78/L & H dated 26-7-1978. The question referred for adjudication is the Compulsory retirement from service of Shri P. J. Joseph, Employee, with effect from 9-4-1976.

2. Shri P. J. Joseph shall hereinafter be referred to as the 'workman' and the Alleppey District Consumers Wholesale Co-operative Stores Ltd. shall be referred to as the 'Management'. The case of the workman as set forth in the claim statement filed by him is as follows:—His service with the management commenced from 20th November 1963. He was suspended from service on 9th April 1976 while he was working as supervisory assistant. His salary at that time was Rs. 277 per month. The suspension was motivated by malice and vengeance of the Managing Director who had stipulated in the order of suspension, that no subsistance allowance, shall be paid to the workman. The Manager of the Society was appointed as the enquiry officer. The rules of the Society provided for a disciplinary sub-committee and therefore the appointment of the Manager as the enquiry officer is illegal. The enquiry officer did not hold an enquiry but extracted a statement from the workman and sent him away. Subsequently the Managing Director imposed the punishment of compulsory retirement. The allegations have not been substantiated. The President of the Society alone is competent to impose the punishment of compulsory retirement. The workman wants himself to be reinstated with full back wages.

3. The management filed a bald reply statement contending that all the steps taken by the management were according to rules and that the domestic enquiry was properly conducted.

4. The union filed a replication re-iterating its contentions. Thus the pleadings do not disclose the case of the parties.

5. My learned predecessor considered the question regarding the Validity of the domestic enquiry and as per his order dated 13th February 1980 held that the domestic enquiry was improper and posted the case for further evidence giving the management an opportunity to substantiate the allegations before this court. The preliminary order shall be appended to the award. After the said preliminary order, the Manager of the Society was examined as M. W. 1 and the enquiry file which consists of the report of the domestic enquiry as well as the statement given by the workman was marked as Ext. M1. The workman had examined himself and had produced Exts. W1 to W6. Ext. W2 the order of suspension contains a statement of the allegations against the workman. Ext. W2 reads "As per the office order 1st cited, Sri P. J. Joseph was transferred and posted as the Manager of the Br. No. 10 of this Stores. But he has not turned upto take charge of the Branch on the close of business on 8-4-1976 as per the reference 2nd cited. It is also noted that he has absented from duty on the F. N. of 9-4-1976. The action of the incumbent is viewed very seriously. This action of the incumbent tantamount to sheer disobedience of orders and

clear dereliction of duties". Thus the charge against the workman is that he had refused to obey the order directing him to take charge of Branch No. 10 and had absented from duty from the Forenoon of 9-4-1976. The case of the workman is that he was unwell and he had applied for leave even prior to the order in question which was passed on 8th April 1976. Ext. W1 is an application for leave filed by the workman. In the application dated 29th March 1976, he had asked for leave for two weeks from 1st April, 1976. The reason alleged is that his Physician had advised him to take rest for a few days. The endorsement on Ext. W1 shows that the application was rejected due to scarcity of staff. Ext. W3 is a communication sent by the Managing Director to the workman. That document refers to an application for leave dated 1-4-1976. It has been stated that Sri Joseph had applied for sick leave and earned leave for 15 days, that as per the accounts he is eligible to take only 7½ days' leave and the medical certificate produced by him is not in accordance with law and therefore the application for leave was not allowed. After the expiry of the period of 7 days Sri Joseph had reported for duty on 8-4-1976. According to him, he had reported for duty with the object of taking casual leave since casual leave cannot be taken in continuation of earned leave. Then he was directed to go and take charge of Branch No. 10. He had explained his difficulties to the Managing Director and had also applied for casual leave for 9th & 10th of April 1976. The order of suspension was passed on 9-4-1976. The workman has given evidence regarding the abovementioned facts.

6. The question for consideration is whether there was disobedience of the order to take charge of Branch No. 10 and whether the workman had absented from duty from 9-4-1976. The then Menaging Director has not been examined by the Management. It is seen from Ext. W3 the Communication sent by the Managing Director, that the workman had produced a medical certificate which according to the Managing Director was not in accordance with law. The Management has not produced the said medical certificate. The workman has stated that he had explained his difficulties to the Managing Director and had applied for casual leave for 9th & 10th of April. The Management has not produced any of the documents relating to this dispute. The application for leave dated 1-4-1976, the medical certificate and the application for casual leave for 9th and 10th of April are all in the custody of the management. No explanation has been offered for not examining the Managing Director who could have informed the court about what really happened on 8th April 1976. If as the workman says, he was not in a fit condition to go and take charge of Branch No. 10 he cannot be found guilty of disobedience of the order issued by the official superior. Similarly the medical certificate as well as the casual leave application would have shown whether the workman had sufficient reason for not reporting for duty on 9-4-1976. In view of the unwillingness of the management to produce before this court the documents which are admittedly in its possession and the failure of the management to examine the then Managing Director, I cannot but conclude, that the charges levelled against the workman have not been proved. Therefore I hold that the

workman is not guilty of the charges levelled against him. The workman has attained the age of superannuation during the pendency of the proceedings and therefore the only direction that can be given is that he shall be paid full wages till he completed age of 58 less the subsistence allowance already paid to him.

In the result, I pass an award, ordering payment of full wages to the workman Sri P. J. Joseph from the date of his compulsory retirement till the date of completion of 58 years of age, less the amount of subsistance allowance already paid to him.

This award will take effect on the expiry of 30 days from the date of its publication in the Kerala Government Gazette.

Dictated to the Confidential Assistant, transcribed and typed out by him, corrected by me on this the 2nd day of August 1982.

Presiding Officer.

PRELIMINARY ORDER

This is an industrial dispute referred to this Court for adjudication by the Kerala Government by order No. G. O. (Rt.) No. 1200/78/L&H dated 26-7-1978. The issue referred is the following:

> "Compulsory retirement from Service of Sri P. J. Joseph, Employee, with effect from 9-4-1976".

The union has filed a claim statement in which the following case has been put forward. Sri P. J. Joseph was a worker in the establishment of the opposite party from 20-11-1963. While he was working as a supervisory assistant and drawing a salary of Rs. 277 p. m., he was suspended from service on 9-4-1976. In the order of suspension itself it was made clear that no subsistence allowance would be paid to Sri P. J. Joseph and so he had to get the subsistence allowance through proper authority. The suspension was motivated by malice and Vengeance on the part of Sri N. Chithambaram Pillai, the Managing Director of the Society. After the suspension a force in the name of domestic enquiry was conducted and Sri P. J. Joseph was compulsorily retired from service with effect from the date of his suspension i. e. 9-4-1976. The appointment of the enquiry officer itself was opposed to the Co-operative Societies Act and Rules and also the bye-laws of the Society. The Managing Director in violation of all these appointed the Manager of the Society to conduct the domestic enquiry even though the society had constituted a disciplinary sub-committee to deal with questions relating to disciplinary actions. The enquiry officer, instead of conducting the enquiry, extracted a statement from Sri P. J. Joseph and sent him away. Sri P. J. Joseph preferred an appeal to the Board of Directors, but that was dismissed without hearing him. Hence the punishment imposed on Sri P. J. Joseph is unsustainable and he is entitled to be reinstated with all back benefits.

To the above claim statement the opposite party has filed a cryptic counter denying the allegations in the claim statement.

The union has filed a replication reiterating its original stand.

Both sides submitted that the enquiry officer need not be examined and so Ext. M1 was marked by consent.

At this stage of the case the only question for consideration is whether there was a proper domestic enquiry conducted against Sri P. J. Joseph.

Perusing the records it is seen that the charge against Sri P. J. Joseph is that he was transferred and posted as the Manager of the Branch No. 10 of the Stores, but he did not take charge on the close of business on 8-4-1976 and he was also absent from duty on the F. N. of 9-4-1976 and hence his action was sheer dis-obedience of office orders of the management and clear dereliction of duties. As seen from Ext. M1 the explanation given by Sri P. J. Joseph to the enquiry officer was that since he was not well he had applied for 15 days leave even earlier, but only 7½ days was granted to him. The leave application and the orders of the management thereon and also

the other records pertaining to the action taken against Sri P. J. Joseph have not been produced by the management. But such of those records in the custody of the worker have been produced as a file by the union. From that file, it is seen that he had applied for 2 weeks leave from 1-4-1976 even on 29-3-1976 as advised by his doctor. That leave application is seen to have been rejected. However the case of the worker was that he could not take charge of the branch due to illness and he had applied for leave. Certainly evidence should have been taken by the enquiry officer to know whether the ground taken by the worker was true or not. Instead of that, the enquiry officer has as to say cross-examined the worker and failed to examine any witness on the side of the management. This shows not only that the domestic enquiry held against Sri P. J. Joseph was improper, but also, that he was not given sufficient opportunity to prove his cause. Therefore I find that the domestic enquiry held against Sri P. J. Joseph was defective. In that case the management has to be given another opportunity to prove the misconduct alleged against Sri P. J. Joseph before this court and Sri Joseph also has to be given a chance to give evidence contra. The case will therefore be posted for evidence of the management at the first instance.

Ordered accordingly.

ALFRED DANIEL,
Presiding Officer.

AWARD

This industrial dispute was referred to this court by the Government of Kerala as per G. O. (Rt) No. 1222/78/L&H dated 31-7-1978. The issues referred are:—(1) Revision of wages of workmen; and (2) Dismissal of Shri K. Ramachandran Pillai.

2. The union did not press the claim for revision of wages.

3. Shri Ramachandran Pillai was dismissed on the basis of the findings of the enquiry officer who had came to the conclusion that the delinquent had threatened and used abusive words against Shri Mahadevan, Advocate, Quilon, the Legal Advisor of the Management.

4. In the claim statement filed by the union several reasons are given for rejecting the findings of the enquiry officer. Referring to the occurrence it is stated as follows:

'The worker never violated discipline to be maintained in the factory. There was no reason for the same. Up to the date of the alleged incident, the said Ramachandran Pillai never knew who this Advocate Mahadevan was. Labour strike and picketting were going on in this factory and this Mr. Ramachandran Pillai was an active participant-worker in the workers deliberations. The management wanted to wreak vengeance upon Ramachandran Pillai and this is only a concocted story falsely foisted against him'. There is no averment to the effect that Ramachandran Pillai had not called out the abusive words attributed to him.

5. The Management has filed a reply statement contending that the enquiry was properly conducted, that Shri Ramachandran Pillai had threatened and abused Shri Mahadevan in a most vulger and obscene language exceeding all limits of decency and decorum and that the disciplinary action has nothing to do with the strike in the company.

6. As per the preliminary order dated 23rd November, 1981 my learned predecessor came to the conclusion that a proper enquiry has not been proved to have been conducted and posted the case for evidence giving the management an opportunity to substantiate their case before this court. The preliminary order reads as follows:—

"This dispute between the above parties was referred by Government of Kerala as per G. O. (Rt) No. 1222/78/L&H dated 31-7-1978. The issue referred is the following:—

(1) Revision of wages of workmen ;
(2) Dismissal of Shri K. Ramachandran Pillai.

The union filed a claim statement contending as follows:— The claim for revision of wages for labourers is not pressed for the time being. The second issue under reference is the dismissal of Shri K. Ramachandran Pillai. He was dismissed on the allegation that he howled and hooted and used bad words at one Shri Mahadevan, Advacate, Quilon and one Shri C. V. Isac who were coming out of the factory after discussing with the Managing Director. A domestic enquiry was ordered by the management appointing Shri K. G. Ramachandran Pillai, Advocate, Quilon as enquiry officer. The workman filed a petition before the enquiry officer seeking permission to engage a lawyer for him as the persons involved in the enquiry were highly qualified and experienced. He also sought for the conduct of the

enquiry by the enquiry officer at his own office. These requests were rejected. The enquiry officer was not impartial. The workman requested the management to appoint another enquiry officer. That was not allowed. Sri Mahadevan is a Senior Advocate of the Quilon Bar while the enquiry officer was a junior member of the bar. The enquiry was conducted under the control and guidance of Sri Mahadevan. The delinquent's request that in the first witness in the schedule aught to be examined first was disallowed by the enquiry officer. When the workman insisted for the same Sri Mahadevan pushed out the workman from the place of the enquiry and the enquiry officer proceeded with the enquiry ex parte. Eventually the workman was dismissed. The dismissal is illegal. The workman may be ordered to be reinstated with back wages.

The Management filed a counter statement contending as follows:—On 31-5-1977 at the request of the Managing Director of the Company Sri Mahadevan, Advocate, Quilon who is the Legal Advisor of the Company arrived at the factory for discussions, finalisation and preparation of an agreement for repair of a de-airing machine with one Mr. C. V. Isac. When Mr. Mahadevan reached the gate of the company he was forcibly obstructed by the workman. Sri Mahadevan contracted the Managing Director by telephone and as per his request Mr. Mahadevan entered the factory premises through the eastern gate and the discussions were conducted. The Managing Director left at 11 a. m. and Mr. Mahadevan, Mr. John Jacob continued discussions till 12.30 p. m. When these two came out of the office, the workman started howling and hooting at them and he also abused Mr. Mahadevan in vulgar language. The workman and others chased them up to the main road. Sri Mahadevan reported the matter to the police and also to the management. The management charge-sheeted the workman and eventually ordered an enquiry to be conducted by Sri K. G. Ramachandran Pillai, Advocate, Quilon. After several adjournments the enquiry was taken up on 27-9-1977 though the workman was present he withdraw from the enquiry without reason and left the place. The enquiry was proceeded with by the enquiry officer, who found the charges proved. During the enquiry on 27-9-1977 the workman had objected to the examination of Sri Mahadevan first. The reason for the examination of the latter as the first witness was explained by the enquiry officer. It was at that stage that the workman walked out. It is thereafter that he sent a letter to the Managing Director of the company making allegations against the enquiry officer. By the time the letter reached the management the enquiry had been completed. The letter was an afterthought. The allegation of impartiality against the enquiry officer is baseless. The enquiry was properly conducted. There is no reason to set aside the enquiry report.

The case was posted for evidence of the enquiry officer. The summons issued to him was returned unserved. Subsequently no effective steps were taken by the management to secure his presence. Thus there is no evidence to show that a domestic enquiry was properly conducted. No doubt the enquiry report is filed, but in the light of the contentions raised by the union it was up to the management to prove that an enquiry had been duly conducted which strict compliance with the principles of natural justice

Since the enquiry officer was not examined there is no proof of a proper enquiry. I therefore find that a proper enquiry has not been proved to have been conducted. The management will be given an opportunity to adduce evidence to substantiate the action taken against the workman. If the management adduce the evidence, the union will be given an opportunity to adduce counter evidence.

The case is posted for evidence of the management to 28-12-1981".

7. After the preliminary order the management has examined one witness. Sri Mahadevan who is alleged to have been threatened and abused by Sri Ramachandran Pillai has not been examined. The union and their advocate were absent and therefore M. W. 1 was not cross-examined. M.W.1 the Manager of the company has deposed that when Sarvasree Mahadevan and John Jacob came out of the factory on 31st May, 1977 the words used were "ഈ വക്കീൽ തായോളിയെ കൊല്ലും. ഇയാളെ കൊന്നാൽ ഒന്നും വരാനില്ല".

In Ext. M1 Sri Mahadevan has stated that the following abusive words were used by the workman "ഇവന്മാക്കാൾ വലിയ വക്കീലന്മാർ കൊല്ലത്ത് ഞങ്ങൾക്കുണ്ട്. ഈ തായോളിയെ കൊന്നാലും ഒന്നും വരാനില്ല. ചക്കാത്തു മൂഞ്ചാൻ നടക്കുന്ന തായോളികൾ etc. etc.

Thus there is some difference between the words attributed by the witness to the delinquent and the words shown in Ext. M1. Unfortunately the union has not came forward to cross-examine M. W. 1. It is clear from the testimony of M. W. 1 that Shri Ramachandran Pillai had used abusive language against the LegalAdviser from the company premises. I would therefore hold that the conduct of Sri Ramachandran Pillai was subversive of discipline and the same amounts to misconduct.

8. Further question for consideration is regarding the propriety of the punishment. I have already found that the delinquent had used abusive language against the Legal Advisor within the company premises and the same amounts to misconduct. Employees have no right to use abusive language against their superiors or the law officers of the company. Anything cannot be allowed in the name of trade union activity. In the circumstances, I hold, that the punishment of dismissal imposed by the management was proper.

9. In the result, I pass an award, upholding the dismissal of Sri K. Ramachandran Pillai. No costs.

This award shall come into force on the expiry of thirty days from the date of its publication in the Government Gazette.

T. V. Kunhahamed.
Presiding Officer.

NOTIFICATION

G. O. (P) No. 133/82/H. Edn. *Dated, Trivandrum, 13th September* 1982.

S. R. O. No. 1495/82.—In exercise of the powers conferred by sub-section (1) of section 2 of the Kerala Public Services Act, 1968 (19 of 1968), read with section 3 thereof, the Government of Kerala hereby make the following rules further to amend the Rules for the Kerala Government Presses Service issued under Notification G. O. (MS) No. 954/ Public (Rules) Department dated the 5th November 1959 and published in Part I of the Kerala Gazette No. 45 dated the 17th November, 1959, namely:—

RULES

1. *Short title and commencement.*—(a) These rules may be called the Kerala Government Presses Service (Amendment) Rules, 1982.

(b) They shall be deemed to have come into force with effect on and from the 1st January, 1979.

2. *Amendment of the Rules.*—In the Special Rules for the Government Presses Service, in the Table under sub-rule (b) of rule 4, the Note under the entries in column (2) qualification against the category, "3. Assistant Superintendents of Government Presses", in column (1) shall be numbered as "Note-1" and after Note-1 as so numbered, the following Note shall be inserted, namely:—

"Note 2.—For appointment by transfer 5 years' experience in any of the technical branches of a recognised printing press will be sufficient and the experience need not be in a Supervisory capacity".

By order of the Governor,
K. SRINIVASAN,
Special Secretary to Government.

Explanatory Note

(This does not form part of the notification but is intended to indicate its general purport).

In G. O. (P) No. 1/79/H.Edn. dated 1st January 1979 Government had prescribed 5 years' experience in a Supervisory capacity in a recognised printing Press as one of the qualifications for appointment to the post of Assistant Superintendent of Government Presses. It has since been found that this has adversely affected the persons working in certain sections of the Government Presses since in those sections there are only limited number of supervisory posts. It is felt therefore necessary to obviate their difficulties in the matter of appointment by transfer to the posts of Assistant Superintendent of Government Presses. This amendment is intended to achieve the above objective.
